Key Features

- **Word Studies** - AI-powered analysis of original Hebrew & Greek words
- **Strong's Concordance** - Tap any colored word for instant definitions
- **Biblical Insights** - Ask any question, get structured biblical answers
- **Figurine Dioramas** - Visual depictions of biblical authors and characters
- **Daily Verse Widget** - Home screen widget with verse and meaning
- **Offline Access** - Full KJV Bible available without internet

What Makes It Different

- **Linguistics over theology** - Focus on what words mean, not denominational interpretation
- **Non-denominational** - No theological bias or doctrinal agenda
- **AI-powered** - Modern technology making ancient languages accessible
- **Practical application** - Every study connects scripture to daily life
